City of Monterey, CA Police Department
Detective Investigation Status Report

Date	10 December 2009
Time	5:00 PM
Affiant	Detective Joe Friday
Case Number	MT-2009-12-015
Report Number	004

Summary
Warrant granted for USB thumb drive owned by Jo.

Cause for Action
Forensic technologists were able to determine from the computer that a USB thumb drive possibly owned by Jo was used to connect to the computer, and possibly used to transfer kitty exploitation material.

Action Taken
With the assumption that the USB thumb drive is owned by Jo, we have requested and been granted a warrant to seize the USB drive. The warrant was based upon data found on the computer MT-2009-12-015-EV001. The warrant has been logged as MT-2009-12-015-W001.

Outcome
If we are granted permission to search computers at M57 Patents, we will execute the warrant and seize the thumb drive (if it is in Jo's possession) at that time. If not, we will make a decision about when to execute the warrant.
